3. Product Description

PLANKI WAX is a food safe butcher's block treatment you can treat all your wooden furniture, wooden utensils or butcher's block with. Planki Oil is a food safe oil that can be used as a treatment for any wood products that comes into contact with food.

Product will arrive bottled, branded, barcoded and wrapped at The Client's location

4. Ingredients

Planki Wax:

Food grade mineral oil

Beeswax

Planki Oil:

Food grade mineral oil

5. Production time and delivery

From production to delivery it can take 3 to 7 days, depending on quantities ordered. Please take note that we manufacture ourselves and the Planki Wax can only be manufactured at night, because we do not want to risk our staff getting stung by bees in the process during the day, as this has happened before and the reason for this is because they come after the aroma of the beeswax.

6. Stock on hand

We keep a minimum of 24 bottles on hand, as we easily manufacture stock as soon as we receive an order. We always have enough ingredients to manufacture new stock.

7. Company Details

7.1. Company registration number: _____
